Exploring Recent Education Data for Children with Disabilities and Next Steps for Strengthening Data for Education Policy and Planning

Global Disability Summit 2022: Side Event

Thursday, February 17, 2022  l  7:00 – 8:00 AM (EST) / 1:00 – 2:00 PM (CET)

Join us as we share new findings from newly analysed global data on education and learning for children with disabilities. This will include updates on ongoing efforts to strengthen the availability of data to inform education policy and planning as well as country experiences in collecting and utilizing education data to inform policy and strengthen inclusive education systems for children with disabilities.

ISL and captioning will be available
